PCT/USA NATIONAL DECLARATION AND POWER OF ATTORNEY
FOR U.S. PATENT APPLICATIONS
IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
UNDER 35 U.S.C. SECTION 371(c)(4)

As a below named inventor, we hereby declare that:

Our residence, post office address and citizenship are as stated below next to my name:

I verily believe I am the original, first and sole inventor (if only one name is listed below) or a joint inventor (if plural inventors are named below) of the invention described and claimed in international application No. PCT/JP98/000364 entitled: PLASMA DEVICE and as amended on _____ (if any), which I have reviewed, and I understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above and for which I solicit a patent; that I do not know and do not believe that this invention was ever known or used in the United States of America before my or our invention or discovery thereof, or patented or described in any printed publication in any country before my or our invention or discovery thereof, or more than one year prior to my international application; that this invention was not in public use or on sale in the United States of America for more than one year prior to my international application; that this invention has not been patented or made the subject of an inventor's certificate issued before the date of my international application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than twelve months before my international application; that I acknowledge my duty to disclose information of which I am aware which is material to the examination of this application; and that prior to filing said international application, applications for patent or inventor's certificate on this invention of discovery which have been filed by me or my legal representatives or assigns in any country foreign to the United States of America are as follows:

(a) none filed more than 12 months prior to said international application, unless named below:

(b) earliest filed less than 12 months prior to said international application (the priority of which is hereby claimed under 35 U.S.C. Section 365):

Japanese Application No. 9/15790, Filed January 29, 1997
Japanese Application No. 9/133422, Filed May 23, 1997
Japanese Application No. 9/278062, Filed September 25, 1997

I hereby claim the benefit under Title 35, United States Code, §120, of any United States application(s) listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code, §112, I acknowledge the duty to disclose material information as defined in Title 37, Code of Federal Regulations, §1.56(a), which occurred between the filing date of the prior application and the national or PCT international filing date of this application.

(Application Serial No.)	(Filing Date)	(Status)(patented, pending, abandoned)

Tokyo 113 JAPAN; Masaki HIRAYAMA, Haruyuki TAKANO and Ryu KAIWARA
all residing at c/o Department of Electronics Faculty of
Engineering Tohoku University, Aza-Aoba, Aramaki, Aoba-ku,
Sendai-shi, Miyagi-ken 980 JAPAN, have invented certain
improvements in:

PLASMA DEVICE

described and claimed in an application for Letters Patent of the
United States of America thereon, said Application filed on July
26, 1999, based on Japanese Application PCT/JP98/000364 filed on
January 29, 1999.

WHEREAS, Tadahiro OHMI, is to acquire the entire right,
title and interest in and to said invention and said application
for Letters Patent;

NOW, THEREFORE, in consideration of the sum of ONE DOLLAR
(\$1.00) to us in hand paid, and for other good and valuable
consideration, the receipt and sufficiency whereof is hereby
acknowledged, we do hereby assign, sell, transfer and set over
unto said Tadahiro OHMI, his successors and assigns, the full,
entire and exclusive right, title and interest, for the territory
of the United States of America and for all foreign countries, in
and to said invention, as described in the application identified

above, and in and to said application and any divisions or continuations or continuations-in-part thereof or continuation prosecution applications or substitutes therefor which may be filed, and in and to any patents or reissues, renewals or extensions thereof which may be granted on said application or for said invention, and in and to any patent application which may be filed on said invention in countries foreign to the United States of America and any patents granted thereon; said invention, applications, and Letters Patent to be held and enjoyed by said Tadahiro OHMI, and his successors or assigns, to the full end of the term or terms for which said Letters Patent may be granted, as fully and entirely as the same would have been held by us had this assignment not been made.

We hereby authorize and request the Patent and Trademark Office officials in the United States of America and the Patent Office officials of any and all foreign countries to issue any and all of said Letters Patent, when granted to said Tadahiro OHMI, as the assignee of our entire right, title and interest in and to the same, for the sole use and enjoyment of said Tadahiro OHMI, his successors and assigns.

Further, we agree to execute all papers and to give such lawful testimony and to perform such other lawful acts as said Tadahiro OHMI, his successors and assigns may require to enable it or them to procure Letters Patent on said invention or reissues or extensions thereof in the United States of America

and/or in any foreign country, and/or to hold, enforce or convey
said Letters Patent, reissues or extensions.

Executed this 2 day of Sep., 1999.
